

When doing discussion boards, we should quote and use the sources he gives us. Engage the responses and add something to the conversations. You are not expected to answer other people's questions in their replies to your post. Make sure to cite and reference your sources in APA style in your substantive posts.

in-text citation: (James, 2022) | " " (James, 2022, p.33)

References page

Use at least one citation in your assignments

Make sure to review the grading rubric

Reading Reflections

Begins with a prompt and need to answer the prompt with a summary, analysis, and more. 3-4 paragraphs are needed. Review the grading rubric

Academic Integrity & Use of AI

Do not plagiarize. Do not use AI. Work is checked with an AI checker, if more than 66%, you will have to rewrite.

Module 2, watch videos on the Dark Triad, take a personality test and screenshot results, discussion board, and reading reflection.

Syllabus Review
